

Welcome Class of 2022!

On Aug 22, over 100 incoming and current students, parents and alumni gathered at the Hong Kong Exchange Connect Hall for the Launchpad Reception hosted by Kenneth Kok (AB'99), Daniel Wolff (AB'04) and Armand Yeung (AB'99). Taking away wise words, insights and personal sharing from their senior, the students are going to kick off their new journey with exciting life in UChicago. All the best to Class of 2022!

Living Longer + Smaller Families = Older World: the Mother of All Trends (Sep 18)

The aging of the world's population changes every important relationship we have. On Sep 18, join The Hong Kong Jockey Club Programme on Social Innovation to hear from Ted C. Fishman — author of China, Inc. and Shock of Gray — about how global demographic change will shape the future globally. Register for free.

A New Approach to STEM on Thinking, Teaching and Learning

Jeanne Century, the Director of Outier Research and Evaluation, UChicago STEM Education gave an inspiring public lecture on Jul 15 and explained STEM as a way to thinking, teaching and learning, regardless of disciplines. The video-recording and presentation deck are now available to [view](#) along with a summary of the lecture.
