Yuen Speaker Series: FinTech and Blockchain in China (Aug 14)

Yuen Speaker Series: FinTech and Blockchain in China

Zhiguo HE
Fuji Bank and Heller Professor of Finance
The University of Chicago Booth School of Business

The underdevelopment of infrastructure in China's traditional financial sector along with its encouraging regulatory environment and abundant human capital have created ample opportunity for the Fintech industry to thrive in China. Professor He will provide a financial economist's perspective on the great potential of blockchain technology within this context.

University Launched Yuen Metcalf Internship Program in Asia

The University of Chicago has launched a summer internship program in Asia for undergraduate students funded by University Trustee Francis Yuen (AB'75) and his wife, Rose Yuen. The Yuen Metcalf Internship Program will provide students in the University's College with career opportunities and cross-cultural experiences focused in Hong Kong and Greater China.

The Jeff Metcalf Internship Program is the flagship internship program for the University of Chicago undergraduate students, with over 2,800 Metcalf internships this year. This summer, a total of 230 students will crisscross Asia, of which 113, including 41 in Hong Kong, are supported by the Yuens' gift, compared to 149 last academic year. The 54% increase in Asia opportunities further demonstrates the University's commitment to fostering intellectual exchange and collaboration in the region.
