

UChicago Yuen Speaker Series - The Wrong Diagnosis: A Modern Paradox and Calamity

Scott Stern, M.D.

Professor of Medicine
Co-Director of the Junior Clerkship in Internal Medicine
Co-Course Director of the Clinical Pathophysiology and Therapeutics
The University of Chicago

THE UNIVERSITY OF
CHICAGO

Yuen Speaker Series

Despite ever more sophisticated technology, a recent study conducted by the U.S. Institutes of Medicine concluded that doctors often make the wrong diagnosis. In fact, they estimated that every single American would be misdiagnosed in their lifetime, sometimes with devastating consequences. Dr. Stern will explore the roots of this crisis and ways to make the practice of medicine safer.

Date: October, 16, 2019
