## Silver Moon or Golden Star: A Conversation about Utopia (Dec 10)

Loosely taking the idealism displayed at the 1933 World's Fair in Chicago as a point of departure, multimedia artist **Samson Young** will discuss his current exhibition *Silver Moon or Golden Star: Which will you buy of me?* at the Smart Museum of Art at the University of Chicago, which asks how people adapt to societal changes that they have little control over.

## Special Event with Nobel Laureate Lars Peter Hansen (Dec 10)

Join us for a special event in Shanghai with Nobel Laureate **Lars Peter Hansen** who will discuss *"Climate Change: Uncertainty and Economic Policy"*. Lars Peter Hansen is a leading expert in economic dynamics who works at the forefront of economic thinking and modeling, drawing approaches from macroeconomics, finance, and statistics. Chicago Booth and UChicago alumni and students are welcome.

## Economic Outlook 2020: *Big Tech, Trade, and the Future of the Economy* (Jan 15)

Big Tech companies are changing the face of the global financial markets, creating one of the biggest challenges since the financial crisis. How are central banks around the world grappling with fast-changing technology? What does the shift mean for the global economy, regulations, and markets? Will escalating trade wars tip the world into recession or will the long expansion continue?

Join Booth professors **Randall S. Kroszner** and **Brent Neiman** along with **Yue Chim Richard Wong** for Economic Outlook 2020 in Hong Kong to discuss the state of the global economy and gain insights into the year ahead.
