### WEBINAR: Invest for Impact (Mar 12)

How would impact investment add value to your investment portfolio, and how do impact ventures work with impact investors? Increasingly, investors are more interested in looking for investments that address social and environmental issues across various asset classes.

Join us on March 12 for a webinar co-hosted by the Chinese University of Hong Kong and the University of Chicago highlighting the current development and trend of impact investment in the region. Impact-investing experts will also discuss ways for you to get involved in impact investing.
