## Virtual Tour of The Oriental Institute Museum

The Oriental Institute of the University of Chicago is a leading research center for the ancient Middle East. The museum houses some 350,000 artifacts—around 5,000 of which are on display—excavated mainly by OI archaeologists. The OI Museum aims to understand, reveal, and protect ancient Middle Eastern civilizations.

Take a [Virtual Tour](#) of the galleries now with activities offered by the OI Museum to guide your at-home-journey.

## Online Gallery and Public Talks - On the Verge of Metropolis: Squatters in Hong Kong

The exhibition is now available online to provide you a visual journey in post-war Hong Kong. The rare and striking images remind us of a time before Hong Kong emerged as the high-rise financial hub we know today.

Check out the [online gallery and recording of public talks](#) now.
