Built on a historically significant site at Mount Davis, The Hong Kong Jockey Club University of Chicago Heritage Courtyard and Interpretation Centre is situated at Jubilee Battery, which was part of Hong Kong's western coastal defense system in the Second World War. It has gone through various stages of conversion into a British Army Royal Engineers' mess and quarters, the Victoria Road Detention Centre, and finally, was revitalized by the University of Chicago to become the new Yuen Campus in Hong Kong.

The heritage virtual tours with audio guide in Cantonese and English will take you on a journey to explore the revitalized Grade 3 heritage buildings including the Heritage Interpretation Centre, former detention cells, the Jubilee Battery and more.

Take a trip back in time by visiting our heritage site virtual tour now, anytime, anywhere.
