## Marine Biological Laboratory - 133 Years of Oceanic Scientific Discovery (Jun 17)

**Professor Nipam Patel** is Director of the Marine Biological Laboratory (MBL) and a Professor at the University of Chicago. In this new mini series of One.5°, he will provide an overview of the MBL's origins in 1888, and how they strongly inform the laboratory's present and future strategic directions in research and education. Join us on **June 17, 8:00pm HKT**, and learn more about MBL's work on oceans and climate change through the next two episodes on **June 24** and **July 8**.

## On Board Hong Kong 2021 (Jun 15 & 17)

This year, On Board Hong Kong is going virtual. On 15 and 17 June, join The Hong Kong Jockey Club Programme on Social Innovation and Chicago Booth's Rustandy Center for Social Sector Innovation for the virtual On Board conference on nonprofit board service. Through a series of free, informative, and interactive online sessions, you'll reflect on this past year while honing nonprofit board governance and leadership skills to help you drive forward change and build a better future.
