Dear Students, Alumni and Friends,

This week, we are launching a new podcast called '**The Course**', featuring the unique journeys and perspectives of our own University of Chicago faculty.

In each episode, our guests will share who they are outside UChicago lecture halls, the path that led them to academia, and the ups and downs, opportunities and challenges they faced every step of the way.

Our staff created and curated this podcast for you, the listener, to help you understand that our career hopes and aspirations rarely turn out exactly the way we planned.

You can find **The Course** on [Apple Podcast](#), [Spotify](#), [the Yuen Campus website](#) and [Ximalaya](#).

We hope you enjoy listening to **The Course** and share it with your family and friends who enjoy a great podcast. Feel free to let us know what you think and share your feedback!

Sincerely,

Mark R. Barnekow (MBA'88)
