Register HK Event: The Next Explosive Leap with GBA Policies (May 19, 8:30pm HKT)

Beijing delivered its 53-page “Greater Bay Area Development Plan” three years ago to announce China’s ambitions for its new economic regional powerhouse. The two-way interactions between Hong Kong/Macau and the Mainland are unprecedented. Coordination between cities with governmental policies is already having a significant impact.

What impact will these policies mean for citizens of the GBA? How will they benefit enterprises and accelerate development on different fronts? Hear our experts discuss whether the GBA can achieve its ultimate objectives and claim its role as a global innovation hub and engine for growth.

Register HK Event: Workshop on Population Movements, Language Contact in East Asia and Southeast Asia, and Evolutionary Linguistics (Jun 8-11)

Speakers and experts from UChicago and other institutions will discuss the extent to which layers of population movements and language contacts in East and Southeast Asia (ESEA) can account for the specificities of language evolution in the region. This 4-day workshop is a test of some uniformitarian generalizations about the impact of colonization and worldwide globalization on language evolution.
