Register HK Event: Workshop on Population Movements, Language Contact in East Asia and Southeast Asia, and Evolutionary Linguistics (Jun 8-11)

Speakers and experts from UChicago and other institutions will discuss the extent to which layers of population movements and language contacts in East and Southeast Asia (ESEA) can account for the specificities of language evolution in the region. This 4-day workshop is a test of some uniformitarian generalizations about the impact of colonization and worldwide globalization on language evolution.
