Dear Alumni,

We are excited to invite you to join us at the inaugural [Trailblazer Forum](#) event with our guest speaker [Dr. Allan Zeman](#) here on the University of Chicago Yuen Campus Hong Kong, Friday, June 17th at 3:00pm HKT.

We are expecting an enthusiastic group of registered alumni and friends to attend the program; our first in-person event on the UChicago Yuen Campus since last December.

I very much hope you can join us for this event. Please RSVP via Eventbrite to reserve your seat.

Sincerely,

Mark R. Barnekow
Executive Director**About the Event:**

Dr. Allan Zeman, GBM, GBS, JP, is renowned as the “Father of Lan Kwai Fong”, the entertainment hub in the financial center of Hong Kong.

Dr. Zeman’s nickname “Mouse Killer” is emblazoned forever after his single-handed success competing with Hong Kong Disneyland for Ocean Park.

Having lived in Hong Kong for 50 years, Dr. Zeman has been heavily involved in multiple Asia business cultures and many government services and community activities. He commits himself to multiple sectors of local development and thrives on the continued economic and cultural prosperity of Hong Kong.

As the first Trailblazer in our series of programs, Dr. Zeman will share how he spots opportunities and folds them into his business empire. He’ll also share his aspirational vision for the future of Hong Kong as Asia’s World City.

Join our inaugural Trailblazer Forum event to be inspired by a true visionary, a real estate tycoon, an entertainment guru, a business whiz, a theme park savior, a fashion trader and a strategic advisor to the government.

Due to COVID social distancing, we are limited by how many attendees are allowed to attend on campus. Reserve your spot now!
