Register HK In-Person and Online Hybrid Event: Designing Diversity for Sustained Innovation (Feb 7, 2023)

Designing Diversity for Sustained Innovation
February 7, 2023 | 6:30 PM

James Evans
Max Palevsky Professor of Sociology
Director of Knowledge Lab
Faculty Director of Masters Program in Computational Social Science
The University of Chicago
External Professor of Santa Fe Institute

THE UNIVERSITY OF
CHICAGO

UChicago Max Palevsky Professor of Sociology and Director of Knowledge Lab **James Evans** will give an in-person talk at the UChicago Hong Kong Campus on how the process of collective abduction stimulates innovators to forge new insights to make the surprising unsurprising. He will conclude with a discussion of prospects and challenges in a connected age for sustainable innovation through the design and preservation of differences in science and society.

Join the event at the UChicago Hong Kong Campus in person or via Zoom on **Tuesday, February 7, 2023, at 6:30pm HKT.**
