Register HK Event: The Webs Beneath the Tracks: Digging Up the History of the Hong Kong Tramways (Feb 1, 7:30 pm)

**Kenneth Pomeranz**University Professor of Modern Chinese History and the College
Faculty Director, The University of Chicago Yuen Campus in Hong Kong

The story of Hong Kong's trams is, of course, about transportation: but it is also about investors, workers, sustainability, marketing, real estate, tourism, strikes, boycotts... and even housing and schools. The people involved were part of networks that connected them to Guangzhou and London, but also to surprising places like Calcutta, Harbin, and Cape Town. So how does all of that become a single exhibition?

This program, hosted by the UChicago campus in Hong Kong Faculty Director, **Professor Kenneth Pomeranz**, has been rescheduled for **Thursday, February 1, at 7:30 pm**. Join us for a lecture and discussion about the making of Hong Kong's iconic tram system and the research that helps us tell the Hong Kong Tramway's local and global stories.
