Data Science Summer Academy in Hong Kong 2025

The Data Science Summer Academy (DSSA) for High School Students in Hong Kong is returning for its second year! Taught by UChicago Data Science Institute and hosted at the UChicago Campus in Hong Kong, this transformative program will empower students with data science knowledge and real-world applications.

From July 14 to August 1, 2025, students in DSSA will explore data analysis, coding in Python, and visualization techniques. Guest lectures, excursions, and hands-on projects will be part of the program so that students will be able to connect the dots between classroom knowledge and its practical implications.

The application is now open with an early-bird discount ending **February 22, 2025**. Apply early for this data science journey with UChicago! Click to learn more now and email hkprograms@uchicago.edu for inquiries.
