Data Science

Introduction to Public Policy

**UChicagoHK Summer Academies 2025**  
For High School Students in Hong Kong

Embark on a transformative summer journey with The University of Chicago's immersive academies in Hong Kong! From July to August 2025, high school students can choose from three exciting programs:

1. **Introduction to Public Policy Summer Academy**: Explore the impact of policies on daily life and develop analytical skills to tackle global challenges.
2. **Data Science Summer Academy**: Delve into the world of data analytics, Python, and machine learning, guided by experts from UChicago's Data Science Institute.
3. **Climate and Sustainability Summer Academy**: Dive into environmental challenges and sustainable solutions, led by the Committee on Environment, Geography, and Urbanization.

Open for applications now! Don't miss the opportunity for a summer of discovery, learning, and empowerment with our UChicago faculty!

Apply before the February 22 early bird deadline!
